

NEWSLETTER

**FUNDRAISING EDITION
SPRING 2019**

Welcome to the latest edition of the NESSR Newsletter.

It's been a busy few months since our last newsletter. We've been active with fundraising, home checks, rehoming dogs and of course welcoming new dogs into the NESSR family.

Here at NESSR its all about the dogs and understandably a big part of that is fundraising. We are always looking for donations which do not necessarily need to be monetary. Food, bedding, wormers, flea treatment and toys for use within NESSR. Good quality goods, bric-a-brac, jewellery, etc. that can be sold, raffled or used for tombola to raise money are also welcome.

So before you throw anything away please consider donating it to NESSR. If you want to donate something please send it directly to HQ or post it in the NESSR Forum on facebook and we'll let you know where the best place to send it is or who you can drop it off with, thank you.

Bertie says hello

At 5 years old Bertie is one of NESSR's newest residents. He is due to be neutered soon and then he will be looking for his forever home.

Throughout the next few pages you'll see pictures of other dogs that have joined the NESSR family in 2019. Some are lucky enough to have already found their forever homes.

Introducing NESSR

Who is NESSR?

Northern English Springer Spaniel Rescue (NESSR) is one of the country's largest specialist non-profit making breed rescues that has been running for over 20 years and is a kennel club registered rescue. We primarily rescue and re-home discarded, unwanted and neglected English Springer Spaniels. However, NESSR will help other dogs in need, where it has the capacity to do so and has some volunteers with experience of other breeds.

JD, Cavalier King Charles

Where is NESSR based?

Ollie, Springer

NESSR does not own a rescue centre or kennels. All the dogs are looked after in our volunteers own homes. This enables us to get to know the dogs and assess them before they are rehomed. NESSR works primarily but not exclusively in the North East of England and Scottish borders. NESSR endeavors to help any springer in need regardless of geographical location. Thanks to a network of dedicated volunteers we are able to rescue Springers from across the UK. If we are unable to help we try to find another rescue that can.

The majority of dogs come directly to NESSR from their owners who are looking to rehome them due to a variety of reasons. NESSR also takes strays from pounds and occasionally helps other rescues when asked.

Match Makers

At NESSR we make absolutely sure any prospective owner knows exactly what they are getting into when rehoming a springer.

Healthy happy springers are always on the go so we take great care to match the dogs to the people, that's why very few rehoming's go wrong and so many new owners are very happy with their new friend

Rafa, Cocker Spaniel

How does NESSR find new homes for the dogs?

Thanks to the growth of the Internet NESSR takes advantage of websites to “advertise” the profiles of the dogs in its care. This means we get enquiries from all over the UK for our dogs. NESSR also has a long-standing reputation in the North East. We also get a lot of word of mouth recommendations.

Georgie & Ellie Springers

Does NESSR have an adoption agreement?

Yes, all new homes are asked to sign an adoption agreement. This means that should an owner be unable to look after the dog at any point in the future then NESSR would take it back without question.

The agreement also states how we expect a dog to be treated and that it cannot be used for dog fighting or breeding.

Fern, Springer

What checks does NESSR carry out on new homes?

All new homes are thoroughly vetted. We carry out home checks, vet references and personal references. When assessing a potential home we are looking for how that home will meet the needs of the springer in our care. What may suit one springer may not suit another so we will consider people who:

- Work
- Have children
- Live in a flat
- Working dog homes

Does NESSR check up on dogs it rehomes?

Yes, most of the time NESSR dog owners keep in touch with the rescue, but we do try to keep in contact especially during the first few months a dog is homed. Our adoption agreement gives us the right to check up on a dog if we want to and also to remove a dog if we feel it is being mistreated.

Clyde, Springer

What is NESSR's neutering policy?

NESSR neuters all dogs and bitches unless our vets feel it would be detrimental to their health. Puppies are homed with a strict neutering agreement, which we do check up on.

Does NESSR ask for a set donation when people adopt a dog?

NO. NESSR believes you can not put a "price" on a dog, We ask people to be as generous as possible to help us to continue our work. NESSR neuters and vaccinates all dogs and some need further vet treatment for other conditions therefore dogs can cost us from £150 to over £300.

Cocoa, Cocker

How does NESSR fund its work?

NESSR is a non-profit making organization. We fund our work from donations made when people adopt a dog

Donations given by our supporters

The sale of items made by volunteers

Raffles and Tombola's

Online auctions and competitions, on our Forum and other websites.

More details of current fundraising activities are included later in this newsletter

How is the money spent that is raised for NESSR?

100% of the money raised for NESSR goes towards the direct work of rescuing and rehoming dogs. All of our "staff" are volunteers. We do not have a rescue centre, Volunteers look after the dogs in their own homes. We pay for food and veterinary treatment of all the dogs that come into NESSR's care.

The next step

When applying for any of our dogs you will be expected to travel to meet them in their foster home.

A home check is also required and a donation to allow our work to continue.

Application forms can be found at www.nessr.net

Also needed are foster homes and home checkers. Without these NESSR can't take in dogs in need, and can't send them on their way to new forever homes.

Can you help? Please get in touch via www.nessr.net

Bonnie, Cocker

Need extra help?

If you are having difficulty navigating our website in regards to submitting an online adoption application form hopefully these instructions will help a little:

1. Go to www.nessr.net
2. Choose header Adoption Info
3. From drop-down choices click on Application Form
4. Complete the application form on-screen and click SUBMIT

Please familiarise yourselves with the website as there is lots of useful information on there.

Adoption Application Form

Please include as much information as possible to ensure we can assess your suitability for the dogs in our care. Homechecks are only done for the dogs we have currently for adoption so if you are just applying in general, we will not homecheck you unless we have a dog that matches your circumstances. We will only contact you when/if we have a dog we think is suitable. Please remember to include an email address so we can acknowledge receipt of your application. If you do not receive an acknowledgement within a couple of days, we have not received your application.

<input type="text"/>

NESSR relies on donations and the generosity of volunteers and our supporters to enable us to look after the dogs in our care.

So grab a cuppa and a snack & sit back and take a look at the fundraising that is ongoing and planned for the rest of 2019. Is there something of interest that you can help with?

First up we have a stall at Pudsey Carnival Pet Corner on Saturday 18th May, sponsored by Pudsey Dog Park and supported by Canine Behaviour and Training Solutions.

DOG SHOW INFORMATION

Dog Show – £2 per category or 3 categories for £5 – register on the day at the Dog Show entrance.

September 8th: Towerwood Vets dog show at Horsforth Park Leeds. <https://www.towerwoodvets.co.uk/>

Calendar 2020

Thank you to everyone that has been posting pictures on our main Facebook page for our 2020 calendar .

We're enjoying looking at all your great photos, however there are some that we won't be able to consider for the calendar.

We can't use: phone screenshots, cropped pictures, poorly focused or grainy pictures, collages, pictures with date/time stamps or pictures with people.

Landscape format is preferred due to the shape of the calendar.

Please also email your pics to amandajane.springer@yahoo.com

I can't acknowledge receipt of them all but they are arriving so keep them coming. The bigger the selection (the harder it is to choose, but) the better the calendar will be.

Please have your pictures in by 31st August, thank you.

Northern English Springer Spaniel Rescue added an event. 26 April at 15:53 · 🌐

We are now looking for suitable photos for our Calendar for next year. Feel free to post your pictures below and email to amandajane.springer@yahoo.com Please include your dogs name and age too, thank you

And Finally.....

NESSR is here for the dogs, but for us to help them we need help from you!

Without foster homes, home checkers, transporters, fundraisers and donations we are limited in how many dogs we can help. Even spreading the word about NESSR among friends and family can help in some small way. A share of a share of a share on Facebook can go along way.

If you think you would like to help in any small way please get in touch.

We welcome ideas, submissions and feedback for the newsletter.

Let us celebrate birthdays and gotcha days. Tell us your dog's story and we'll share it among our readers.

Are you currently working on a fundraiser for NESSR or had great success with raising funds and would like a mention in our next newsletter?

It's your newsletter, let us know what you want to see and read.
