

Thank you for supporting NESSR and the valuable work that we do. Each year NESSR takes on dogs that need lifelong specialist care, usually they cannot be rehomed and remain in foster care with one of our dedicated volunteers. Ella is one of those dogs.

Ella came into NESSR's care via a local vet, she has a portosystemic shunt which means her liver cannot process the toxins produced in her body. This has stunted her growth and she also has a shortened life span. She was going to be put to sleep.

Cynthia said there was absolutely no way that was going to happen and we arranged for Ella to be collected.

She will need to be on a specialist diet for the rest of her life and needs daily medication to keep her condition under control. She also needs regular veterinary care with recurring blood and urine analysis to ensure her condition is as stable as it can be.

Monthly donations are incredibly valuable in a case like this. You can give as much or as little as you can afford, be that £1, £5 or more. Your monthly donation will help Ella have the care and treatment she needs to make the rest of her life as comfortable as we can make it.

giftaid it

Using Gift Aid means that for every pound you give, we get an extra 25 pence from the Inland Revenue, helping your donation go further.

This means that £100 can be turned into £125, just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

So if you are a UK tax payer and want your donation to go further, Gift Aid it.
